

## Mission

ATA College is committed to providing a quality level of instruction, training and career placement for men and women pursuing positions in allied health. We accomplish our mission by:

- Recruiting highly trained professionals as instructors
- Offering small class sizes
- Offering financial assistance to qualifying students
- Providing flexible class schedules
- Providing graduate career placement services
- Continuing our commitment to learning

## History

- Established in 1994 as A Technological Advantage, offering Microsoft certification
- Changed name to ATA Career Education in 2006
- Accredited by Accrediting Bureau of Health Education Schools and licensed by the Kentucky Board of Nursing
- Over 550 enrolled students
- 10-month Diploma programs in Limited Medical Radiography, Medical Office Assisting, Dental Assisting, Phlebotomy
- 15-month Associate Degree program for Practical Nursing preparing students to sit for the NCLEX-PN
- 17-month Associates Degree program for Medical Assisting and Medical Coding
- Designated Title IV in 2005, allowing financial aid opportunities to qualifying students
- 24,000 sq. ft. - currently adding another 10,000 sq. ft. effective April 1st for a total of 34,000 sq. ft campus
- Changed name to ATA College in 2009
- Plans for more program offerings in place

## The Advantage

- Career services assist students in externship programs and finding a position in their field
- Excellent instruction from professionals who not only teach their specialties, they work in their specialties
- Tuition rate does not increase for students with continuous enrollment
- Externships are available for hands-on work experience
- Class times are flexible for working adults and designed for expedited completion
- ATA graduates are invited to re-sit previously taken courses at no additional charge
- Classes are small so students get more one-on-one attention from faculty
