Physics Registry Review	24	\$200

Notice: Any credit transferred in that reduces the length of the program will reduce the cost of the total program. The amount of credit will be based on the current tuition and fee schedule at the time of the transfer. Student charges for tuition are accessed at the beginning of the academic quarter once transfer credit has been determined.

My signature below indicates my understanding that this document is an official addendum to my enrollment agreement and the ATA Catalog.

This reference is made to the ATA enrollment agreement marked revised 11-25-19 catalog volume 1, effective April 6, 2020.

For additional fees that may apply please refer to the ATA catalog.
