**ATTENDANCE POLICY NURSING CLINICALS**

A clinical makeup fee will be assessed for makeup hours. Students will be responsible for \$200 for each missed clinical. Students will be allowed to miss one clinical day per course, with a maximum of two missed clinical days per quarter. Students will be notified by the Nursing Director or Clinical Coordinator when the scheduled make up day(s) will occur. Arriving late will result in being dismissed that day from clinical and scheduled for a makeup. In the case of interruption due to unsatisfactory attendance, students may re-enter missed courses in the next available course on a space available basis. Note: Appropriate reports will be made to the Department of Veteran's Affairs when necessary.

**Effective June 29, 2026**

**LIMITED MEDICAL RADIOGRAPHY PROGRAM COURSE COMPLETION**

To maintain academic standards and ensure student readiness for clinical practice, the LMR Program enforces the following course failure limits:

- Students may not exceed **three (3) failed courses total** throughout the entire LMR program.
- **Any student who accumulates three (3) course failures will be removed from the program.**
- No individual course may be failed **more than two (2) times**.
  - A second failure of the same course will result in removal from the program, regardless of the total number of failed courses.

This policy applies to all required coursework, including didactic, lab, and clinical components. Course failures include any grade considered failing per program standards.

These limits are in place to support student success, maintain program integrity, and ensure graduates are prepared to safely and competently perform in clinical and professional settings.
